17 The above-captioned matter is set on the criminal duty calendar for Wednesday, July 28,
18 2010 for status regarding the pending supervised release violation. The parties jointly request
19 that the appearance be vacated and reset for August 5, 2010. On July 22, 2010, after Mr. Lynn
20 made his initial appearance on the supervised violation, the Probation Office filed an amended
21 petition. The parties are in the process of obtaining more information regarding the charges
22 contained in the amended petition, and need additional time to do so, and to discuss a possible
23 resolution of this matter.

24 Counsel for Mr. Lynn has informed U.S. Probation Officer Richard Brown of the
25 requested continuance. The Speedy Trial Act is not implicated because this is a supervised
26 release matter.
